

Sesión 8

Taller Rust

11/02/23

□ ¿ Cuántos días llevamos vivos desde que nacimos?]

std::time , chrono

□ Introducción a multithreading .
std::thread.

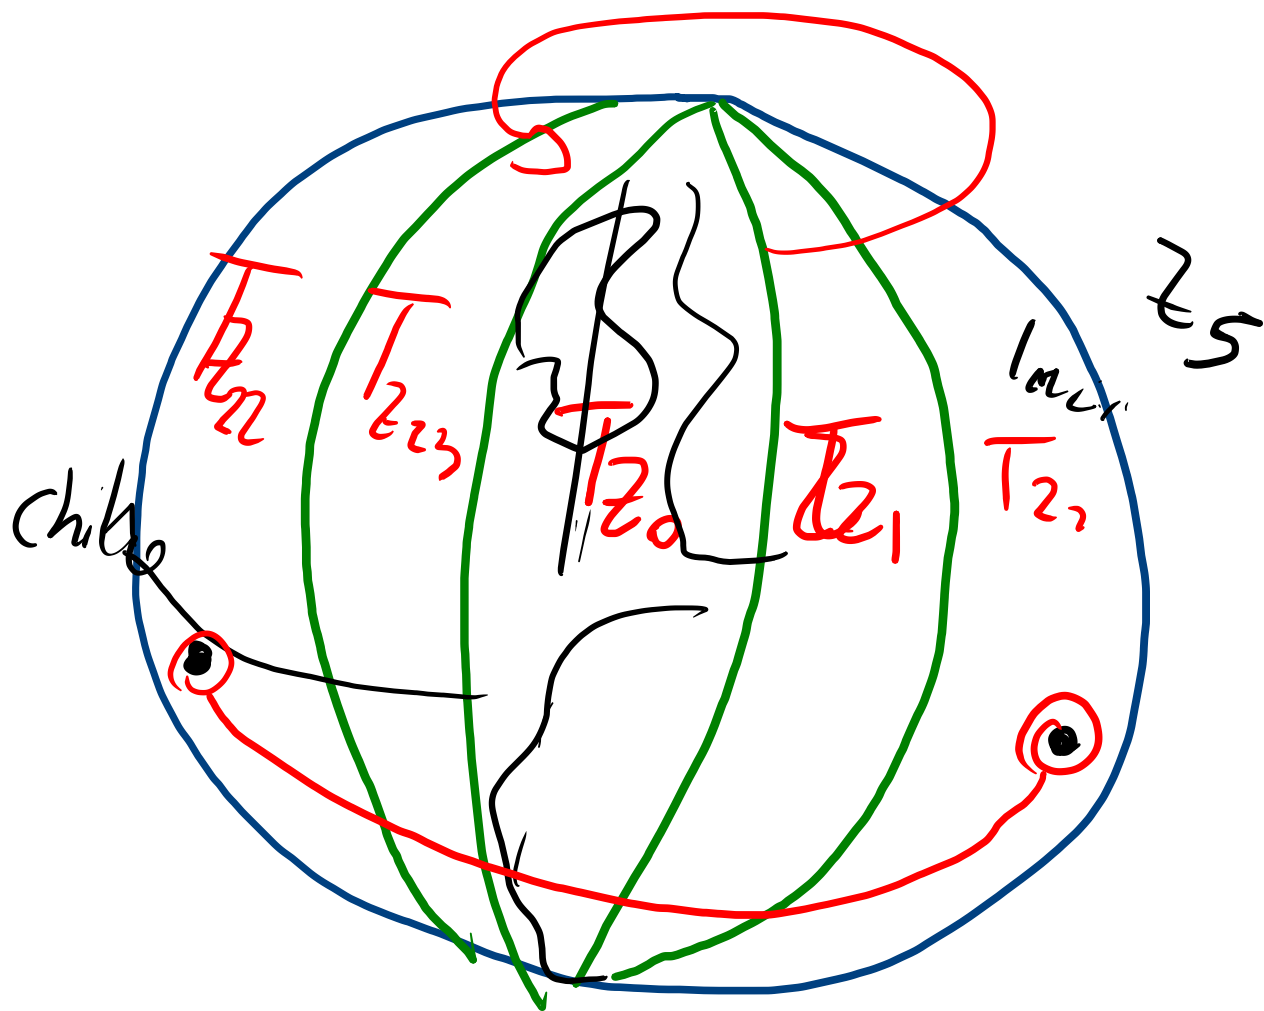

std::time

Duration

Instant

SystemTime

chromo

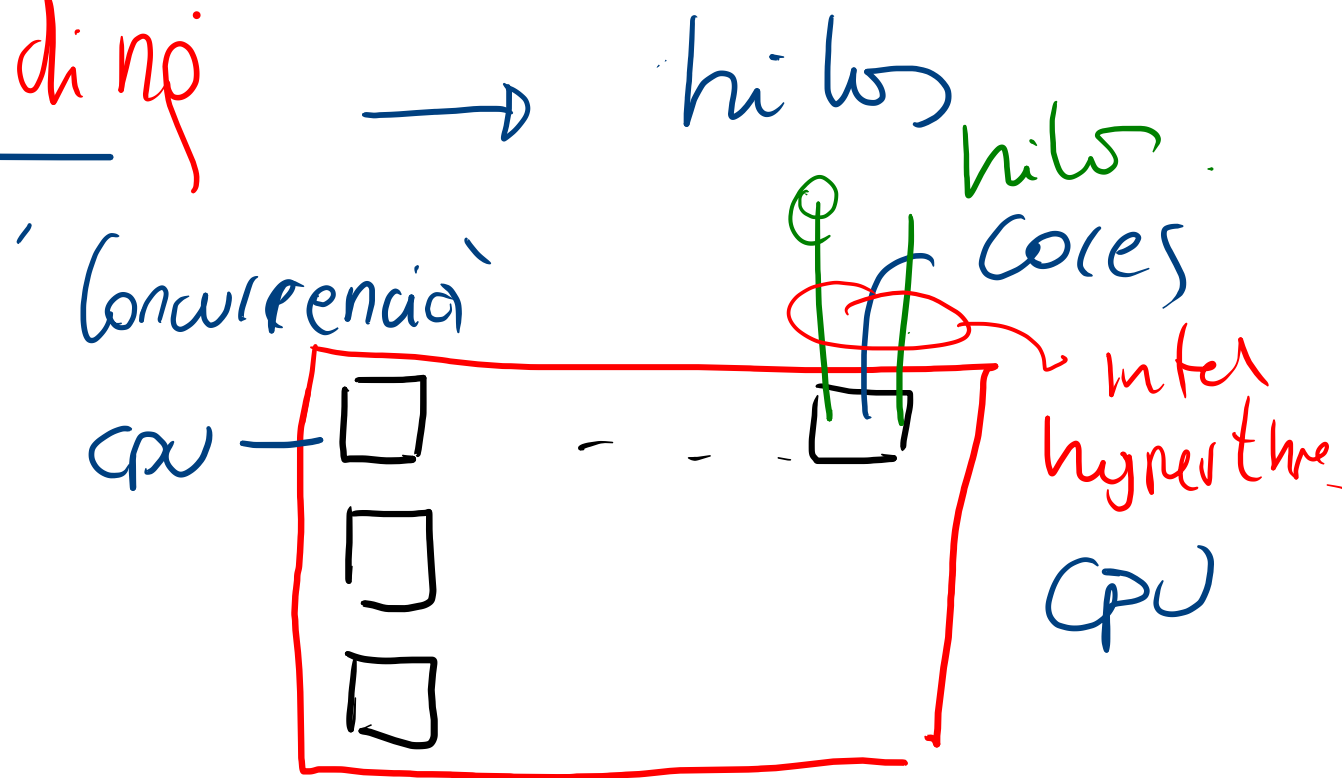

Daytime + Timezone
Din(±)hour

Chile - 4 hr

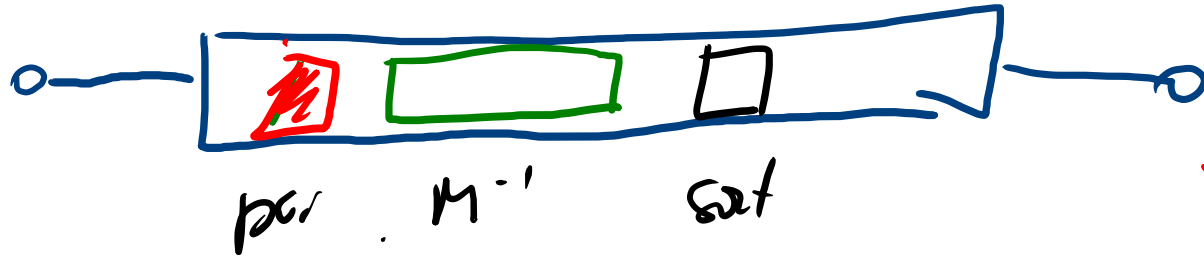

Arg - 3 hr

Threading

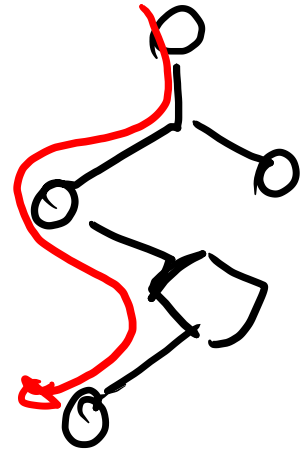

Operación de un programa :

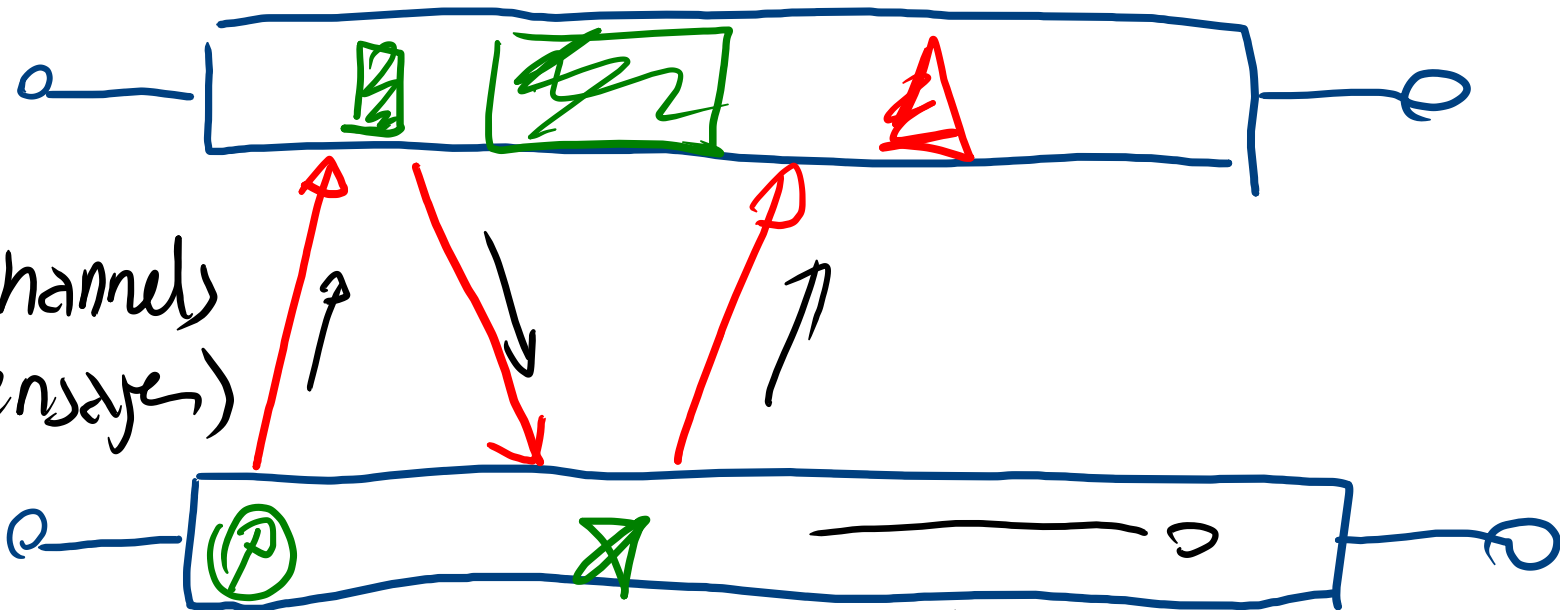

'pal'
main

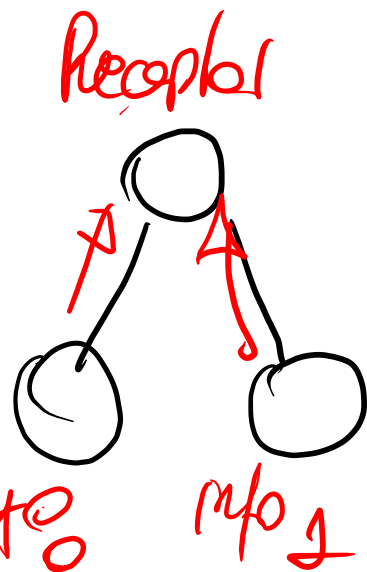

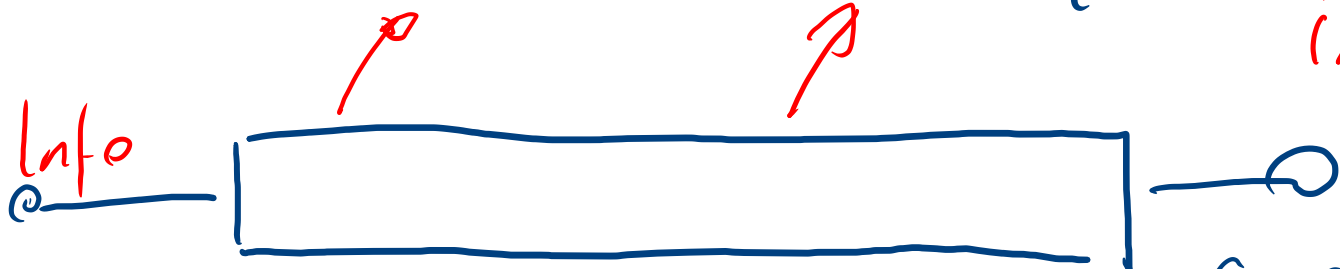

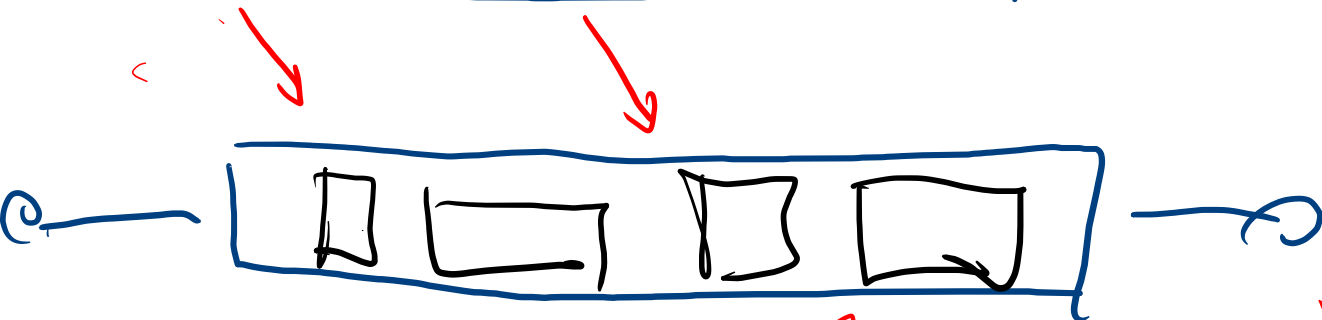

hilo

channels
(messages)

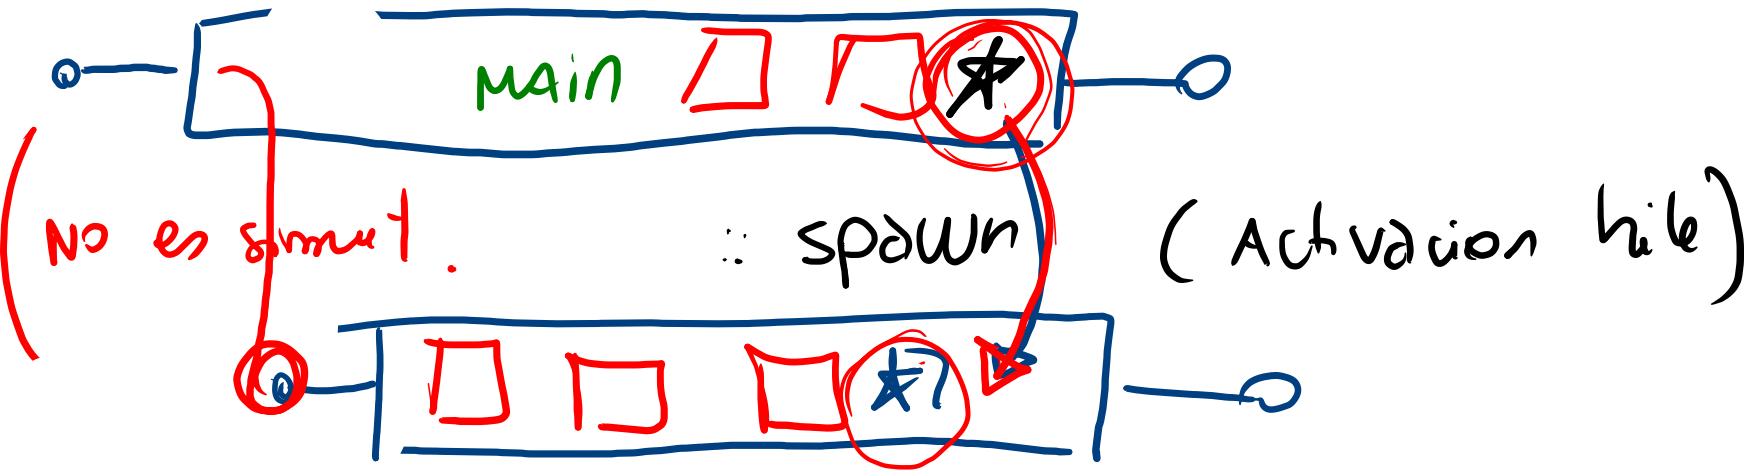

Same component, or
elements

- o Channels
- o Mutex
- o Arc ~ RC.

└ multithreading

async.
future,

Como accedo a la memoria de otro hilo
